

February 7, 1975

SENATOR FOWLER: I think it's been discussed pretty well. The question is, do we want to wait and look at these constitutional amendments and decide a priority on them and be able to space them so that a certain number appears on the primary ballot and a certain number is on the general election ballot. I don't think it's Senator Kelly's intention or mine that we hold all of these until next year. We certainly could take a few weeks or a couple months out of this session, during the last of June. There's no rush to get these out on a ballot because it's going to be a year until the election, so I think we could take a little time to consider these and decide on some priorities in this area.

PRESIDENT: The question is Senator Kelly's motion. It's been (mic inactivated) . . . That's form of argument of Senator Syas rather than the question.

SENATOR SYAS: Well I don't see how it is. It's a practical thing.

PRESIDENT: I know it and you brought it up in your argument. I think the question is out of order. The question is, shall the Kelly motion, calling for the bracketing of LB 94 constitutional amendment pass. Have you voted? Record.

CLERK: 11 ayes, 31 nays, 7 not voting.

PRESIDENT: The motion fails. Senator Dworak.

SENATOR DWORAK: Mr. President, I move the adoption of the amendments to LB 119.

PRESIDENT: I don't think we've disposed of 94.

CLERK: Yeah. We need to advance 94.

SENATOR DWORAK: Mr. President, I move that LB 94 be advanced to Enrollment and Review for engrossing.

PRESIDENT: Any discussion? Senator Chambers is your light on? The question is, shall LB 94 constitutional revision be advanced. Record your vote. No. All in favor signify by saying aye. Contrary. It is so advanced. Senator Dworak.

SENATOR DWORAK: Mr. President, I move the adoption of the amendments to LB 119.

PRESIDENT: Is there any discussion? The question is, shall the amendments to LB 119 constitutional revision be adopted. All in favor signify by saying aye. Contrary. The amendments are adopted.

CLERK: Mr. President, motion on the desk. Senator Koch offers an amendment to LB 119 to provide that the Speaker or other presiding officer provided for by the Legislature shall sign in the presence of the Legislature while the same is in session and capable of transacting business, all bills and resolutions passed by the Legislature. Signed, Senator Koch.

PRESIDENT: Is there any discussion of this amendment? Do you wish to be heard, Senator Koch.
